

St Dunstan's Church, Bolnhurst

Churchwarden's Report 2020

2020 has been a very different year as we all know. Corona Virus has a lot to answer for.

Very little has happened to the church building apart from Mr Kinns repairing the nave roof following the annual inspection that found a few loose slates.

However I feel that in spite of not being able to worship as normal and fundraise as we would like, hopefully there is a feeling of support for one another in these strange times.

Wendy and Florence continue to work really hard as, despite few church services, finances and regulations and meetings still continue and have to be recorded and reported . Thank you both.

Judith Norfolk April 2021
