

The Friends of St Denys Church Colmworth present a cheque for nearly £7,000 from the friends' work during 2019. Right to left in the photograph are Church Warden Mrs Kate Abrahams, Rector The Rev Timothy Wilson and members of the congregation, 2 of whom are former church wardens. The friends were formed a few years ago to support the fabric of the Grade 1 listed C14th parish Church and have increased year by year the money they have raised, most especially by their 'Cars and Bikes of Character' gathering on the first Sunday morning of every month from April – October at and outside Colmworth Village Hall. £5 with or without a Car or Bike of Character includes free Bacon roll!
